Subject: Regarding Land Queries of up gradation of SKS International School , Maure Khurd
Affiliation no.1631433
School Code.23637

Respected Sir/Ma'am,

We wish to state that as per telephonic conversation regarding land certification and the small part of our school's playground that is currently not covered with a boundary wall. We assure you that it will be covered within a short period of time. Here are some important details:

1. Our school's campus area was previously 6930 sq. meters, but it has now increased to 8852.51 sq. meters, which includes the playground. We have attached the necessary legal certificates.
2. We will submit the application regarding increase in the land on SARAS portal as per your instructions
3. We already have volleyball, badminton, and handball facilities within the walled area, and we will ensure that the additional land is also covered as per your instructions.
4. Our school is a charitable organization located nearly 8 km from the Indo-Pak border, and there are no schools for girls in the area that provide education up to the Senior secondary level, which is affiliated with CBSE. We provide education to students with very nominal charges per student per month, and we are dedicated to serving rural and border areas to spread education. We kindly request your cooperation in our efforts to provide education, especially for girls, in these underprivileged areas.
